

May 30, 2021

Greetings everyone:

We have some great news to share! Premier Moe announced an easing of Covid-19 public health restrictions last week, which impact outdoor recreation and come into effect on May 30th. In addition, your Executive has made a couple of decisions that will enable a broader range of bowlers to join us, especially for the evening timeslots.

- 1) The times for morning and evening timeslots have changed from 11:00 a.m. to 10:00 a.m. for play in the mornings and from 6:30 p.m. to 7:00 p.m. for the evenings. The 2:00 time slot will remain as is. Please remember to register on Sign-Up Genius as we still have a maximum number of 20 bowlers per timeslot.
- 2) We can move to playing pairs (as well as singles).
- 3) Masks are only required when using the washroom facility in the clubhouse (or when SV's are in the clubhouse). Without masks, it is even more important to maintain physical distancing when playing and socializing.
- 4) Bowlers may now take out a membership at more than one club.
- 5) We're celebrating Opening Day along with National Bowls Day on Sat. June 5th (registered members only).
- 6) We have been in communication with the City to determine the numbers that we can accommodate so that we can move to triples play. We anticipate a response early this week and will be able to make a decision regarding the recreational triples league at that time.

Please continue to follow the public health guidelines so that we can get back to some sense of "normal"! Get vaccinated so that you protect yourself and others! Be safe!
